NOTES TO CONDENSED FINANCIAL STATEMENTS

(1) Basis of Presentation

The accompanying unaudited financial statements present the consolidated results of our company taken from our books and records. In our opinion, such information includes all adjustments, consisting of only normal recurring adjustments, which are necessary to make our financial position at March 31, 2005 and the results of our operations for the three month period ended March 31, 2005 and 2004 not misleading. As permitted by the rules and regulations of the Securities and Exchange Commission (SEC) the accompanying financial statements do not include all disclosures normally required by accounting principles generally accepted in the United States of America. These financial statements should be read in conjunction with the financial statements included in our Annual Report on Form 10-KSB for the year ended December 31, 2004 on file with the SEC. In our opinion, the consolidated financial statements are a fair presentation of the financial position, results of operations and cash flows for the periods presented.

The results of operations for the three month period ended March 31, 2005 are not necessarily indicative of the results of operations to be expected for the full fiscal year ending December 31, 2005.

(2) Stock-based Compensation

Statement of Financial Accounting Standards No. 123 ("SFAS 123"), "Accounting for Stock-Based Compensation," encourages, but does not require, the adoption of a fair value-based method of accounting for employee stock-based compensation transactions. However we have elected to apply the provisions of Accounting Principles Board Opinion No. 25 ("Opinion 25"), "Accounting for Stock Issued to Employees," and related interpretations, in accounting for our employee stock-based compensation plans. Under Opinion 25, compensation cost is measured as the excess, if any, of the quoted market price of our stock at the date of the grant above the amount an employee must pay to acquire the stock.

Had compensation costs for options granted to our employees been determined based on the fair value at the grant dates consistent with the method prescribed by SFAS No. 123, our net income and earnings per share would have been reduced to the pro forma amounts listed below:

	Three Months Ended March 31,

(3) Acquisition

On October 18, 2004, we entered into a Stock Purchase Agreement with Screw Compression Systems, Inc., or "SCS", and the stockholders of SCS. Under this agreement, we agreed to purchase all of the outstanding shares of capital stock of SCS for the purpose of expanding our product line, production capacity and customer base.

SCS is a manufacturer of natural gas compressors, with its principal offices located in Tulsa, Oklahoma.

The stockholders of SCS received, in proportionate shares (based on their stock ownership of SCS), a total of \$16.1 million.

- o \$8 million in cash;
- o promissory notes issued by Natural Gas Services in the aggregate principal amount of \$3 million bearing interest at the rate of 4.00% per annum, maturing three years from the date of closing and secured by a letter of credit in the face amount of \$2 million; and
- o 609,576 shares of Natural Gas Services common stock valued at \$5.1 million. All of the shares are "restricted" securities within the meaning of Rule 144 under the Securities Act of 1933, as amended, and bear a legend to that effect.

This transaction was completed January 3, 2005 and we began reporting combined financial results for the first quarter 2005 included in this report. The total purchase price was \$16.1 million and we recorded goodwill of \$4,984,561 and intangibles assets of \$4,218,000.

The following table represents the combined results of operations on a proforma basis with Natural Gas Services Inc. and Screw Compression Systems, Inc. as if the acquisition had occurred on January 1, 2004.

(4) Long Term Debt

On Jan 3, 2005 we amended our existing loan agreement with Western National Bank to provide additional borrowings for the cash portion of the SCS acquisition of \$8 million for 84 months and interest of 1% over the prime rate. This funding was provided by entering into a Third Amended and Restated Loan Agreement made and entered into by and among Natural Gas Services Group, Inc., and Screw Compression Systems, Inc., and Western National Bank.

On March 14, 2005 we amended our existing loan agreement with Western National Bank to provide additional borrowings of \$10 million for 60 months and interest of 1% over the prime rate. This funding will be used to invest in the growth of our rental fleet for the current year. This funding was provided by entering into a Fourth Amended and Restated Loan Agreement made and entered into by and among Natural Gas Services Group, Inc., and Screw Compression Systems, Inc., and Western National Bank.

On May 1, 2005 we modified our existing loan agreement with Western National Bank to reduce the current interest rate from 1% over prime to .50% over prime and changed the current ratio calculation from 1.5 to 1.4 and this modification also allowed us to add the \$2 million restricted cash item on our balance sheet to our current assets for calculating the bank covenants.

(6) Segment information

FAS No. 131, Disclosures About Segments of an Enterprise and Related Information, establishes standards for public companies relating to the reporting of financial and descriptive information about their operating segments in financial statements. Operating segments are components of an

enterprise about which separate financial information is available that is evaluated regularly by chief operating decision makers in deciding how to allocate resources and in assessing performance.

The Company identifies its segments based upon major revenue sources as follows:

Item 2. Management's Discussion and Analysis, or Plan of Operation

Overview

Our company provides products and services to the oil and gas industry and is engaged in (1) the manufacture, service, sale, and rental of natural gas compressors to enhance the productivity of oil and gas wells, and (2) the manufacture, sale and rental of flares and flare ignition systems for plant and production facilities.

Critical Accounting Policies and New Accounting Pronouncements

See our December 31, 2004 Form 10-KSB on file with the SEC for a discussion of our critical accounting policies and new accounting pronouncements. There have been no substantive changes since that time.

Liquidity and Capital Resources

We have funded our operations through public and private offerings of our common and preferred stock, subordinated debt, regular bank debt and cash flow. Proceeds were primarily used to pay debt and to fund the manufacture and fabrication of additional units for our rental fleet of natural gas compressors.

At March 31, 2005, we had cash and cash equivalents of approximately \$1,371,000, working capital of \$4,127,000 and bank debt of \$24,400,000 of which approximately \$5,399,000 was classified as current. We had positive net cash flow from operating activities of approximately \$2,964,000 during the first three months of 2005. This was primarily from net income of \$898,000 plus depreciation and amortization of \$951,000 an increase in deferred taxes of \$528,000, an increase in accounts payable and accrued liabilities of \$830,000, a decrease in accounts receivable-trade of \$1,343,000, and an increase in other asset of \$299,000, offset by an increase in deferred income of \$226,000, and an increase in inventory of \$1,597,000.

For the three months ended March 31, 2005, we invested approximately \$4,668,000 in equipment for our rental fleet and in service vehicles. We financed this activity with bank debt of approximately \$3,685,000 and the remainder from operations.

On January 3, 2005, Natural Gas Services Group, Inc. finalized and funded the Stock Purchase Agreement, with Screw Compression Systems, Inc., or "SCS", and the stockholders of SCS, dated October 18, 2004. Under this agreement, Natural Gas Services Group purchased all of the outstanding shares of capital stock of SCS.

SCS manufactures natural gas compressors, and maintains its principal offices located in Tulsa, Oklahoma.

The stockholders of SCS received, in proportionate shares (based on their stock ownership of SCS), a total of \$16.1 million, consisting of:

- o \$8 million in cash;
- o promissory notes issued by Natural Gas Services in the aggregate principal amount of \$3 million, bearing interest at the rate of four percent (4.00%) per annum, maturing three years from the date of closing and secured by a letter of credit in the face amount of \$2 million; and
- o 609,576 shares of Natural Gas Services common stock valued at \$5.1 million, based on the average of the daily closing prices of the common stock for the ninety consecutive trading days ended April 28, 2004. All of the shares issued are "restricted" securities within the meaning of Rule 144 under the Securities Act of 1933, as amended, and bear a legend to that effect.

On March 14, 2005 we amended our existing loan agreement with Western National Bank to provide additional borrowings of \$10 million for 60 months and interest of 1.0% over the prime rate. This funding will be used to invest in the growth of our rental fleet for the current year. This funding was provided by entering into a Fourth Amended and Restated Loan Agreement made and entered into by and among Natural Gas Services Group, Inc., and Screw Compression Systems, Inc., and Western National Bank.

Results of Operations

Three months ended March 31, 2005, Compared to the Three months ended March 31, 2004.

Total revenue increased from \$3,568,000 to \$11,041,000 or 209% for the three months ended March 31, 2005 compared to the same period ended March 31, 2004. This was mainly the result of increased leasing income and the addition of revenue from the acquisition of SCS.

Sales revenue from outside sources increased from \$890,000 to \$7,146,000, or 703% for the three months ended March 31, 2005 compared to the same period ended March 31, 2004. Sales from outside sources included: (1) Compressor unit sales, (2) Flare sales, (3) Parts sales and (4) Compressor rebuilds. This increase was mainly the result of the sale of compressor units to outside third parties by SCS in the three months ended March 31, 2005 compared to the same period in 2004. SCS's outside sales were \$6,756,000 for three months ended March 31, 2005.

Service and maintenance revenue increased from \$424,000 to \$464,000, or 9% for the three months ended March 31, 2005 compared to the same period ended March 31, 2004.

Leasing revenue increased from \$2,255,000 to \$3,431,000, or 52% for the three months ended March 31, 2005 compared to the same period ended March 31, 2004. This increase was the result of additional units added to our rental fleet and leased to third parties. The company ended the period with 661 compressor packages in its rental fleet, up from 585 units at December 31, 2004 and 444 units at March 31, 2004.

Total Revenue Percentage Breakdown for Three months ended March 31,
2005

Sales Revenue	65%
Service & Maintenance Revenue	4%
Leasing Revenue	31%

The gross margin percentage decreased from 57% for the three months ended March 31, 2004, to 36% for the same period ended March 31, 2005. This decrease resulted mainly from the relative increase in compressor sales revenue as a percentage of the total revenue. Our rental fleet carries a gross margin averaging 65%, and compressor sales margins average 21% therefore the total margins decrease as the lower margin product sales increase.

Selling, general and administrative expense increased from \$666,000 to \$1,133,000 or 70% for the three months ended March 31, 2005, as compared to the same period ended March 31, 2004. This was mainly the result of the increased expenses attributed to the SCS acquisition. The selling, general and administrative expenses for SCS for the quarter amount to 70% of the increase.

Depreciation and amortization expense increased 81% from \$527,000 to \$951,000 for the three months ended March 31, 2005, compared to the same period ended March 31, 2004. This increase was the result of 217 new gas compressor rental units being added to rental equipment from March 31, 2004 to March 31, 2005.

Other income and expense decreased approximately \$1,490,000 for the three months ended March 31, 2005, compared to the same period ended March 31, 2004. This decrease was due mainly to the receipt of \$1,500,000 in life insurance payable upon the death of Mr. Wayne L. Vinson, our former President and C.E.O in early 2004. His death on March 15, 2004 left the company as the beneficiary of two life insurance policies, one for \$1,000,000, and one for \$500,000.

Interest expense increased 134% for the three months ended March 31, 2005 compared to the same period ended March 31, 2004, mainly due to increased loan balances financing rental equipment and the loan for acquisition of SCS.

Provision for income tax increased \$276,000 or 110%, because taxable income increased after giving effect to the non taxable life insurance proceeds received in 2004.

Forward Looking Statements

Some statements contained in this Report, and the documents incorporated by reference, are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 (or Securities Act) and Section 21E of the Exchange Act. These statements include, without limitation, statements relating to oil and gas prices, demand for oil and gas, budgets, business strategies and other plans, intentions and objectives of our management for future operations and activities and other such matters. The words "believe", "budget", "plan", "estimate", "expect", "intend", "strategy", "project", "will", "could", "may", "anticipate", "continue", and similar expressions identify forward-looking statements. We believe the assumptions and expectations reflected in these forward-looking statements are reasonable. However, we cannot give any assurance that our expectations will prove to be correct or that we will be able to take any actions that are presently planned. Actual results could differ materially from those expressed in the forward-looking statements. Factors that could cause such a difference include:

- o fluctuations in prices of oil and gas;
- o future capital requirements and availability of financing;
- o competition;
- o general economic conditions;
- o governmental regulations;
- o receipt of amounts owed to us by our customers;
- o events similar to 9/11; and
- o fluctuations in interest rates and availability of capital.

You are cautioned not to place undue reliance on any of our forward-looking statements, which speak only as of the date of the document or in the case of documents incorporated by reference, the date of those documents.

Item 3. Controls and Procedures

(a) Evaluation of disclosure controls and procedures.

Under the supervision and with the participation of our management, including our chief executive officer and chief financial officer, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of

1934) as of the end of the period covered by this report. Based upon that evaluation, our chief executive officer and chief financial officer concluded that, as of the end of the period covered by this report, our disclosure controls and procedures were effective with respect to timely communicating to them and other members of management responsible for preparing periodic reports all material information required to be disclosed in our periodic filings with the SEC.

(b) Changes in internal controls.

There were no changes in our internal controls during the period covered by this report that have materially affected or are reasonably likely to materially affect our internal controls over financial reporting. In addition, to our knowledge there were no changes in other factors that could significantly affect these controls subsequent to the date of their evaluation.

PART II - OTHER INFORMATION

NATURAL GAS SERVICES GROUP, INC.

Item 1. Legal Proceedings

From time to time, we are a party to ordinary routine litigation incidental to our business. We are not currently a party to any pending litigation, and we are not aware of any threatened litigation, except for one claim made by Karifico Consultants in connection with our acquisition of Screw Compression Systems, Inc. As we have previously reported, Karifico Consultants has advised us that a finder's fee in the amount of \$300,000 is owed to Karifico under terms of an agreement dated November 3, 2003 between Karifico and us. However, in reliance on a subsequent verbal amendment of the agreement, we tendered payment in the amount of \$150,000 in full satisfaction of Karifico's claim under the November 3, 2003 agreement. Karifico disputes that its claims have been fully satisfied.

Certification of Principal Executive Officer Under
Section 302 of the Sarbanes-Oxley Act of 2002

I, Stephen Taylor, Chief Executive Officer of Natural Gas Services Group, Inc., certify that:

1. I have reviewed this Quarterly Report on Form 10-QSB of Natural Gas Services Group, Inc.;

2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;

3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the small business issuer as of, and for, the periods presented in this report;

4. The small business issuer's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the small business issuer and have:

(a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;

(b) Evaluated the effectiveness of the small business issuer's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

(c) Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and

5. The small business issuer's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the small business issuer's auditors and the audit committee of the small business issuer's board of directors (or persons performing the equivalent functions):

(a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely effect the small business issuer's ability to record, process, summarize and report financial information; and

(b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.

3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the small business issuer as of, and for, the periods presented in this report;

4. The small business issuer's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the small business issuer and have:

(a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the small business issuer, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;

(b) Evaluated the effectiveness of the small business issuer's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

(c) Disclosed in this report any change in the small business issuer's internal control over financial reporting that occurred during the small business issuer's most recent fiscal quarter (the small business issuer's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the small business issuer's internal control over financial reporting; and

5. The small business issuer's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the small business issuer's auditors and the audit committee of the small business issuer's board of directors (or persons performing the equivalent functions):

(a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely effect the small business issuer's ability to record, process, summarize and report financial information; and

(b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the small business issuer's internal control over financial reporting.
